

Practical Course for Mastering Refraction in Children: Retinoscopy and Portable Auto-refractometer

ALEXANDRIA OPHTHALMOLOGY SUMMIT 2018

In Collaboration with

Alexandria
Ophthalmology Department

MODERATOR:
Amr El Kamshoushy

Course description:

Course will be composed mainly of practical hands on training on volunteer patients on retinoscopy and the portable auto-refractometer. Attendees will do many refractions by themselves using Retinoscopy and portable auto-refractometer. Short descriptive lectures will be given. Dr Amr Elkamshoushy will spend the full time helping the attendees to refine their Retinoscopy skills and showing all the tricks of using the portable auto-refractometer for children. Candidates are welcome from all levels of expertise.
